LEADER Programme

Helping local rural
businesses grow

Grants for Town and Village Community Buildings

Grants between £2,500 - £25,000 are available for charities, community organisations and groups, who aim to enhance sustainability of their community buildings through establishing, enhancing or expanding local community services and/or providing essential amenities across a rural community. Up to 100% of the total project costs can be awarded to projects who intend to deliver a project that has a positive impact on the local economy.

Eligible activity includes:

- Construction and improvements to buildings
- The purchase of equipment (not consumables)

The call for funding opens on 25th April 2016. To apply for funding please request an Outline Application Form from the LEADER Programme Team and return it by 12 noon on 10th June 2016.
