   @YourRCC

Sponsored by Allied Westminster, the principal supporter of ACRE's advice service for Village Halls

We are both delighted to welcome you to the summer edition of Impact, the RCC's charity update.

The first half of 2019 has been an exceptionally busy but exciting time for the RCC. We are pleased to have secured funding for several exciting new initiatives and projects and delighted to have welcomed a few new faces into our growing staff team.

Many thanks to those of you that entered our Rural Achievement Awards for 2019. The range and quality of entries we have received this year has been amazing. Following a difficult shortlisting process, we are happy to have selected our finalists for this year, all of whom are announced later in this edition of Impact. Well done to all of you.

We would love as many of you as possible join all our finalists and celebrate our well-deserved awards winners at our annual celebration dinner. This year's event will be held at the prestigious Winstanley House on the evening of Thursday 10th October. Tickets are just £42 per person and can be booked now at www.ruralcc.org.uk/awards.

Thank you to those of you that choose to support the charity by joining as an annual member. Our membership costs just £60 a year and helps us to continue our work to benefit the lives of rural people and improve rural places across Leicestershire and Rutland. We will be sending out invoices this month to all those members due to renew and we would like to take this opportunity to thank you again for your ongoing support. Over the next year we will be going through a process to review our membership offer and ensure that we continue to grow our network and effectively support and represent rural communities like yours across our two counties. Please look out for your opportunity to have your say.

We would again like to thank Allied Westminster for kindly sponsoring Impact for 2019. Allied Westminster are long and valued supporters of the ACRE Network and specialise in Village Hall insurance details of which we have shared on the back page of this issue.

WELCOME

Rural Coffee Connect

Our journey to help tackle loneliness in rural areas one cup at a time.

With a £100,000 grant from The National Lottery Community Fund already confirmed, we have spent the last few months working hard to put the foundations in place for Rural Coffee Connect.

Officially starting in the autumn, Rural Coffee Connect will hit the roads of Leicestershire and Rutland taking our pop-up café into the heart of rural communities providing an informal, no strings social space for people to meet and build connections with others in their community.

From a fundraising perspective, progress has been fantastic. In April our board of trustees made the decision to invest some of the funds released from the sale of our old office accommodation in Leicester into the project and in June we were delighted to be awarded a £10,000 Shire Community Grant by Leicestershire County Council.

In early July we picked up our brand-new Coffee Connect van which will be undergoing conversion over the next couple of months. Along side this we will be working with partners to develop our loneliness awareness training package which will be delivered through Rural Coffee Connect to help people take simple steps to identify, reach and help people within their community suffering from loneliness.

If you think that a visit from Rural Coffee Connect could benefit your village, please get in touch with our team via info@ruralcc.org.uk or 01455 856330.

The journey begins

AMAZING

Finalists revealed for 2019

We are delighted to have shortlisted 25 amazing finalists for our 2019 Rural Achievement Awards who all contribute to and improve rural life across Leicestershire and Rutland.

Unsung Hero

Mick Utting and Joe Chandler - Lutterworth
Described as 'real grafters' and 'local legends, Mick and Joe volunteer tirelessly to support almost every community event in the town.

Glynn Cartwright - Melton Mowbray
Glynn is a proud, passionate man who loves his community and inspires people into acting to improve the cleanliness and environment of the town.

Tracy Steward - South Luffenham
Tracy has run the Chater Community Choir for 7 years which along with the myriad of other activities she supports has a hugely positive impact on her local community.

Joyce Bird - Ketton
Joyce has made a significant impact on village life in Ketton. She has given an enormous amount of her time and effort, in a most unselfish way, to the village and community including spending many years as a local Guide Leader.

Best Community Facility

Markfield Community Park

A recent redevelopment of the facility has completely revitalised what had previously been a substantially mundane and under-used site.

All Saints Church - Sheepy

The community in Sheepy has transformed its church from a tired, cold and poorly lit building into a light, warm, welcoming, flexible and inspiring space, accessible for all.

Markfield Community and Sports Centre

Recently refurbished, the community and sports centre is modern, effective and welcoming enabling people across the community to interact positively through exercise.

The Friendly Bench™

The Friendly Bench in Bottesford is an innovative kerbside community space designed specifically to help combat loneliness by providing a friendly informal space for people to meet, chat and strengthen their social networks.

Community Engagement Award

Queniborough Gazette

Delivered to every household eight times a year, the Queniborough Gazette has made a valuable contribution to community life in the village for the past 43 years.

Market Bosworth Town Centre Redevelopment Project

Following on from the successful development of a Neighbourhood Plan, the whole community was engaged in a variety of activities to help develop and agree a redesign of the town centre.

Hathern Together

Set up in 2018, Hathern Together is a community led initiative to bring together clubs, societies and organisations within the village to work together providing and promoting improved facilities, services, activities and events.

March of the Fifty – Hugglescote & Donington le Heath

To commemorate the centenary of the ending of WW1 fifty-three local men marched from Hugglescote Church to Coalville Train station recreating the march of the first fifty civilian volunteers in the country to land in France in 1914.

Rural Service Award

The Friendly Bench™

The RCC is excited to have formed a new partnership with The Friendly Bench CIC to support rural communities to install a Friendly Bench™

The Friendly Bench™ is an innovative kerbside community space connecting people, connecting places and connecting with nature.

Specifically designed, The Friendly Bench™ is a safe, easily accessible mini community garden with integrated seating. The space is designed for people to meet, chat, connect with each other, connect with nature, reduce social isolation and increase community cohesion. These kerbside community parklets have been developed to help encourage connections between communities, help tackle loneliness and improve the quality of life of a ll, including the elderly, socially isolated and those with limited mobility.

Working with the RCC and The Friendly Bench CIC we can support you through every step to plan, install and make the best use of a Friendly Bench™ including generating local support, identifying need, finding a suitable site, securing funding, design, groundwork and installation.

Why not find out more about the support available and to discuss the development of a Friendly Bench in your community today by visiting www.TheFriendlyBench.co.uk or by contacting a member of the RCC team on info@ruralcc.org.uk or 01455 856330

"The Friendly Bench is such a creative but wonderfully simple idea to help combat loneliness. It was by far one of my favourite schemes to hear about during my time as Minister, not least because it seems an incredibly cost-effective way of creating connections within a micro-community. I would love to see many more Friendly Benches across the country."

Tracey Crouch MP for Chatham & Aylesford,
Former Minister for Loneliness

Start a Conversation Conference

10th September 2019

King Power Stadium, Leicester

The RCC plays a key role in promoting and supporting Start a Conversation, the local suicide prevention campaign. As part of this work we would like to invite you to the 'Start a Conversation – Suicide is Preventable' conference on World Suicide Prevention Day, Tuesday 10 September 2019. The event will be hosted by Leicestershire County Council (Public Health) and will run from 9:30am to 1:30pm. The conference will have a broad theme of suicide awareness and prevention, with a focus on suicide bereavement.

The conference is free to attend and open to all, but places are limited so advance booking is essential. **To book your place today please contact connor.melia@leics.gov.uk**

For more information about our Start a Conversation suicide prevention campaign and to pledge your support please visit www.startaconversation.co.uk
